RFP #: FY20-0001

Respondent Questions and SFA Responses

Below are the questions received by KIPP LA Schools for the School Nutrition Program Food Service Management Company Request for Proposal for the 2019-20 school year. All questions are in black text and responses are in blue text.

Respondent #1

1. Is it correct that a hard copy is not required for this bid? **No hard copies are required for this bid. KIPP LA requires only digital copies to be sent to alanfre@kippla.org.**
2. What kind of POS system do you operate? **KIPP LA Schools is currently using MealTime as its electronic Point of Sale system.**
3. Are any of the schools on CEP? **There are currently 4 schools on CEP: KIPP Ignite Academy, KIPP Philosophers Academy, KIPP Scholar Academy, and KIPP Vida Prep. There is potential for 2-4 more schools to be added to CEP in the upcoming school year, however, it has not yet been finalized as to which schools will be added.**
4. We request the approval to visit all the sites prior to the bid due date so we can verify the equipment needs. **At this time, KIPP LA Schools is unable to hold site visits due to a shortage in staffing and the short time period until bid documents are due. Once a respondent is selected, KIPP LA Schools will schedule site visits for the bid winner to review each site.**
5. Is this a winner takes all bid or will sites be selecting different vendors? **This is a winner takes all bid. Only one bid will be selected.**
6. Please discuss evaluation criteria scoring? How is point system evaluated per criteria? **The criteria is below. The main criteria topic is listed first, followed by the breakdown of the criteria the score will be based on. The point system for each criteria is tiered with respondents with the strongest responses scoring highest and then decreasing experience/ability to meet requirements receiving decreasing points.**
 - **Experience with SBP, NSLP, and AMSP:** (1) years in industry, (2) compliance record, (3) ordering system and flexibility, and (4) tiers of staff to support schools at scale

7. Are the schools on offer vs serve or serve? **All schools are on offer versus serve for breakfast and lunch.**

8. Please provide the bell schedules for all sites for the upcoming year. Bell schedules for the upcoming year are not yet complete and are unable to be provided at this time. Below you will find an example of the typical schedules for our schools. There will be slight variation to lunch times depending on the school, number of students, and available space, however, they will range generally between the times listed. All elementary schools have the same start and end times as do middle schools. All schools are dismissed early on Mondays at 1:00 pm.
 - **Elementary Schools**
 - Breakfast period: 7:20-7:40 am
 - School starts: 7:45 am
 - Lunch periods: 11:00 am-1:30 pm
 - Snack period: 3:00-3:45 pm
 - Dismissal (Monday): 1:00 pm
 - Dismissal (Tuesday-Friday): 4:00 pm
 - **Middle Schools**
 - Breakfast period: 7:00-7:20 am
 - School starts: 7:30 am
 - Lunch periods: 11:00 am-1:30 pm
 - Snack period: 3:00-3:45 pm
 - Dismissal (Monday): 1:00 pm
 - Dismissal (Tuesday-Friday): 4:00 pm
9. Please provide school calendars for all sites for the upcoming year. See Attachment A.
10. Please provide names of the sites that require hot delivered meals. Currently, the following schools require hot delivered meals: KIPP Comienza Community Preparatory Upper School, KIPP Ignite Academy, KIPP Ignite Academy - site 2, and KIPP Philosophers Academy. This information can also be found on pages 8-10 of the RFP. Sites requiring hot meals will be noted under the School Name column.
11. Please provide a list of the sites that require ice chests. Three of the four sites listed in the previous question (#10) will also require ice chests for milk storage. KIPP Ignite Academy - site 2 does not require ice chests.
12. Please provide a list of sites that can receive meal delivery a day prior to meal service. All sites that can heat on site can receive a meal delivery a day prior to meal service. For the three sites listed in question 11, meal delivery the day prior is not applicable as no storage is allowed due to equipment restrictions by the Department of Public Health. There is a possibility that these three sites will be able to receive a delivery a day prior to meal service in the future but it cannot be guaranteed.
13. Is there a minimum requirement of hours that the server and POS server must be on site? KIPP LA requires servers to be available on site to prepare meals, serve and count meals, and clean-up after meal service. The exact schedule of the servers will be agreed upon by the selected FSMC and KIPP LA prior to the first day of the school year. There is not a required number of hours as the expectation is that vendor staff are present to complete their required tasks.
14. Please confirm that you require separate servers to serve meals and run POS system? Generally, yes, we require separate servers to serve meals and run POS. However, this can vary for breakfast and lunch depending on the number of students at the site. For smaller school sites, such as KIPP Compton Community School which will only have about 200 students or KIPP Pueblo Unido who will have about 100 students, one server managing meal service and POS may be acceptable. For schools with low

KIPP LA

PUBLIC SCHOOLS

breakfast participation (less than 20%), one server managing both the meal service line and POS may also be acceptable.

15. Are 2 servers required for breakfast for all sites? No, some sites can manage with only one server for breakfast who will manage both the meal service line and POS. See question 14 above for more detail.
16. Please provide a copy of current menus. A menu will not be provided. Responses to the additional questions are below.
 - a. If not Please provide the needs and expectations regarding the menu:
 - i. Number of choices for of entrée. KIPP LA requests at least 3-4 options for an entree for lunch and at least two options for breakfast. KIPP LA requests that at least one option is a vegetarian or vegan meal.
 - ii. Do you have any allergy or vegetarian students? If so how many? The number of students with a food allergy or that is vegetarian that requires a special meal varies by school site. It can range somewhere between 0-12 per school. An exact count is not currently available.
 - iii. Is breakfast having a hot meal component or is it all cold? KIPP LA would like both a hot and cold option for breakfast. It is preferable that sites that can heat meals should be able to choose between hot or cold breakfast at least 3-4 days of the week.
 - iv. Is breakfast served in the classroom, at recess, or in the lunch room? Breakfast is served in different locations depending on the school site. No schools serve breakfast in the classroom, some serve breakfast in a cafeteria if one is available, and some serve outside near outdoor tables. Some schools serve breakfast outside and then students consume meals in their classroom.
17. Please provide the list of commodities and the quantities your school has ordered for next school year? The commodities and quantities ordered to the total of \$95,052 from the USDA Foods program for next school year are below. The \$170,000 of KIPP LA's entitlement dollars are to be used for purchasing through the Department of Defense (DoD) Fresh Fruits and Vegetables program. Items through the DoD have not yet been ordered for next year. The remaining \$17,000 has not yet been allocated.

19. Will the bids be opened publicly? Bids will not be opened publicly.
20. Are you currently being charged a monthly transportation fee? Equipment rental fee? KIPP LA is not currently charged a monthly transportation or equipment rental fee. However, sites who require two deliveries per day (sites that cannot heat meals on site-listed in question #10) are charged a daily \$25 second delivery fee.

21. Please provide a list of the current equipment with specs, that is school owned. Indicate the quantity and the site. **No schools own any food service equipment. KIPP LA requires all equipment to be provided by the FSMC.**
 - a. Warmer **N/A**
 - b. Retherm oven **N/A**
 - c. Refrigeration single door or double door **N/A**
 - d. Milk chest **N/A**
 - e. Freezer single door or double door **N/A**
22. Which pieces of equipment could be accommodated by each site if provided by the vendor? Please indicate the quantity and the site. **KIPP LA can provide a list of what is currently on each site as provided by the current vendor. It is possible that the equipment type and quantity can change depending on the FSMC and what type of equipment is necessary. If electrical outlets needs to be upgraded or adjusted that is a possibility at a majority of the sites. See Attachment C for a list of current equipment by site.**
 - a. Warmer
 - b. Retherm oven
 - c. Refrigeration single door or double door
 - d. Milk chest
 - e. Freezer single door or double door (to hold back up and allergy free meals)
23. Please indicate if warmers and ovens use wire racks or sheet pans. **KIPP LA does not own any equipment, therefore, it would depend on the equipment provided by the FSMC.**

Respondent #2

1. Are you going to select one vendor for all of the sites? **Yes, one vendor will be selected for all sites.**

Respondent #3

1. Does your current vendor place orders on behalf of your school sites currently? **KIPP LA schools select the items from a menu of options provided by our current vendor. The vendor then orders the number of meals to be sent to the school.**
2. If YES to Question #1,
 - a. If your vendor currently only billing for meals served vs meals ordered? **KIPP LA is billed for meals served, with the exception of field trip lunches where KIPP LA is billed for the number of field trip lunches ordered.**
 - b. Is your vendor provided with a non-admin level POS login account so they can analyze POS and waste numbers in real time? **Yes.**
 - c. Is there a surcharge for this service from your vendor? **The price of this service is included in the cost per meal.**
3. We typically bill our server/POS staff as a separate hourly line item on the invoice, rather than as an added price to the meals, is that billing model acceptable? (We do it for transparency and to help schools control costs) **KIPP LA requests a billing model that incorporates staff hours into the price of the meal.**
4. Your current USDA Commodities usage appears to solely lie in Dept of Defense Fresh Fruits & Vegetables, are you open to or interested in accessing your options within the USDA Foods program? **KIPP LA does currently utilize foods from the USDA Foods program. See question #17 from the Respondent #1 section above for more detail.**

5. What are your current contracted prices with your vendor? KIPP LA's current prices are below.
 - Breakfast: \$2.17
 - Lunch: \$3.54
 - Lunch w/pre-packaged cut fruits and vegetables (KIPP Empower Academy only): \$3.63
 - Snack: \$0.90
6. For your sites that heat on site, who does the prep & heating, KIPP LA Staff or Vendor Staff? KIPP LA requires the vendor's staff to prepare and heat meals on site. KIPP LA staff are not involved in food service preparations, serving of meals, or counting of meals, with the exception of school staff serving and counting of snack. However, FSMC staff are required to prepare snacks for service by dividing up the snacks into bags per the school's instructions.
7. How many hours per day do your onsite vendor's server staff typically work at each site? The number of hours per day for a vendor's server staff can vary per site. Generally, the first vendor staff member arrives 30-45 minutes before breakfast to prepare for meal service and additional servers arrive later in the morning. Servers will leave about 30 minutes after meal service ends. Depending on the site, servers can generally work between 4-7 hours per day. Server schedules will be negotiated and determined between KIPP LA and the FSMC. See question #13 of the Respondent #1 section for a similar question and response.
8. Are your schools operating as a Serve Only site or have you implemented Offer vs Serve waste management strategies? All schools operate as Offer Versus Serve for breakfast and lunch.
 - a. If they are Serve Only, is KIPP LA interested in rolling out OVS? N/A
9. For your sites that are below 70% Lunch Participation, what would be your guesses as to what is driving the lower participation? About half of the the schools with lunch participation below 70% are middle schools and the other half are elementary schools. There are various social factors that may drive this decrease which is typically seen with upper grades such as not wanting to eat in front of peers or wanting to spend time socializing versus eating during lunch. At some schools, it may be the lack of engagement with the nutrition program for both parents and students and dissatisfaction with the presentation of meals and/or meal options.
